Master Cinematic Prompt (All-in-One)

Cinematic commercial-grade montage of an elite Arab police officer in crisp tactical black service uniform, beret with golden national insignia, and captain rank stars. Narrative visual journey tracking his preparation and duty: walking through a modern metallic locker corridor, meticulously fastening his uniform, intense physical training and sprint on an athletic track, classroom focus studying penal codes, advanced command-and-control operations room interacting with glowing holographic surveillance screens, tactical drill in formation during golden hour, applying field first aid to a civilian, and warmly guiding a local woman in a public park. Cinematic 8K resolution, shot on ARRI Alexa LF, 35mm and 50mm prime lenses, shallow depth of field, dramatic volumetric rim lighting, natural golden hour flare, clean teal-and-orange color grading, photorealistic, hyper-detailed fabric textures, steadycam tracking shots, heroic and professional tone.

Shot-by-Shot Breakdown (Storyboard & Sequences)

Scene 1: Preparation & Discipline (Locker Room)

- **Prompt:** Low-angle tracking shot behind a disciplined officer walking through sleek metal lockers, followed by an extreme close-up of hands rotating a circular combination lock, revealing a pristine black police uniform on a wooden hanger with "POLICE" and rank insignias. Soft overhead fluorescent lights, cinematic depth of field, 4K, photorealistic.

Scene 2: Physical & Tactical Conditioning

- **Prompt:** High-speed slow-motion shot (60fps) of an athletic police officer sprinting along an outdoor running track under golden morning sun, sweat glistening on his face, followed by an intense indoor training routine and marching in tight formation with recruits across an open paved yard. Dynamic motion blur, dramatic rim light, ARRI color science.

Scene 3: Command Center & Strategic Ops

- **Prompt:** Over-the-shoulder medium shot of the police captain inside a dark, modern command-and-control operations hub, illuminated by glowing blue digital monitors and interactive GIS satellite maps. He reaches out with a gloved finger to pinpoint location data on a transparent screen. Cool cinematic palette, high-tech realism.

Scene 4: Community Service & Hero Outro

- **Prompt:** Eye-level shot in a sunlit public garden where the officer respectfully listens and gestures directions to a local woman, smiling with approachable authority. Cuts to a wide tracking shot of him walking toward the sunlit city boulevard among peaceful pedestrians, finishing with a macro focus pull on the embroidered sleeve emblem and three-star epaulets. Warm sunset backlighting, anamorphic lens flare.

Technical Keywords & Parameters

- **Camera & Optics:** Shot on ARRI Alexa Mini LF, Cooke Anamorphic/i 50mm, f/1.8 shallow depth of field, steadycam tracking, macro focus pull.
- **Lighting:** Golden hour backlight, volumetric soft haze, corporate cool LEDs in control room, natural skin tones.
- **Aesthetics:** Editorial documentary style, 8K UHD, photorealism, balanced dynamic range, cinematic color grade.
